

Fundaziun Nairs – Information Curator-in-Residence

Are you interested in staying in the Künstlerhaus of Fundaziun Nairs?

Within the Artists in Residence program Fundaziun Nairs awards a studio grant for curators in the period from July to the end of September 2019. The residency is connected with the conception and realization of a laboratory exhibition in the gallery of Fundaziun Nairs. The exhibition will be prepared in a dialogue with Fundaziun Nairs and within the framework of the exhibition program. Housed in the historic bathhouse (1913) of the former Scuol-Tarasp spa on the banks of the Inn, the Künstlerhaus comprises nine studios and bedrooms, a kitchen with a lounge, a large function room and exhibition space on three floors. Every month up to 10 artists of different genres and international backgrounds live and work under one roof.

Costs

Monthly contribution per person: CHF 500 (for subsistence costs). Fundaziun Nairs has facilities for an outstanding artist-in-residence stay, but unfortunately is not yet able to host a scholarship.
